

## Disability Access

### Hazel Hall

Accessible parking servicing Hazel Hall is available in the Truland building surface lot and garage. These require GMU parking permits and a disability parking placard issued by the state.

The **parking meters that remain on Fairfax Drive**, those closest to Arlington Original and Hazel Hall, will also be designated for disability access only. A state issued disability parking placard is required and you must pay the meter. These are owned and monitored by Arlington.

### Arlington Original

Accessible parking for **Arlington Original** will be located in what is now the loading dock area with a new accessible entrance to the ground floor. More information will be available when that entrance nears completion.

The **parking meters that remain on Fairfax Drive**, those closest to Arlington Original and Hazel Hall, will also be designated for disability access only. A state issued disability parking placard is required and you must pay the meter. These are owned and monitored by Arlington.

### Truland Building

More accessible spaces will be added to the Truland surface lot and the garage.
