

Dear Parents,

Honor your senior for their accomplishments! We are giving you the opportunity to tell your loved one how proud you are with “kiddie ads”. It’s easy. By returning the lower section of this form with your payment, your personalized message as well as your selected photo of your grad will be published in this year’s yearbook.

GMU’s yearbook is a soft-cover booklet filled with senior portraits, campus photos, kiddie ads, and other tidbits to help your grad remember his/her years spent at George Mason. When you purchase the yearbook, you will also receive GMView, our 30 minute DVD of campus activity including: sports, academic events, homecoming, students’ personal messages, and, of course, graduation!

“Kiddie Ad” photo sizes and costs are below. **Please send original photos or 300 dpi photo on a cd (neither can be returned) and a phone number or e-mail where you may be reached. No inkjet printer photos please!** For further information or any questions call (703) 993-3996.

Please detach this portion and send along with your payment to:

GMView
Communication Dept.
