Meeting Adjourn

What is NSBE?

- Founded in 1975
- NSBE’s mission is “to increase the number of culturally responsible black engineers who excel academically, succeed professionally and positively impact the community.”
- There are 242 collegiate, 70 professional and 82 pre-college active chapters nationwide and overseas.

Why NSBE?

- Access to 20+ companies at regional conferences and over 300 at the National Convention career fair.
- Scholarships! Scholarships! Scholarships!
- Give back to the community through NSBE’s T.O.R.C.H. and Pre-College Initiative programs.
- Global network of students and professionals just like YOU!
