

Report of the Faculty Senate Nominations Committee for the academic year 2016-17.

Committee members: Mark Addleson (Schar School, Chair), Michele Greet (CHSS) Larry Kerschberg (VSE), Daniel Menascé (VSE), Linda Monson (CVPA).

The Nominations Committee had a busy year. In addition to filling vacancies on existing committees, a number of new ones, both standing and *ad hoc*, were created in course of the year, for which nominations were sought and members elected. Vacancies and new positions were filled either by distributing by email calls for nominations to the relevant faculty groups or by requests to the Provost or others in the administration to nominate staff to committee positions. The Nominations Committee wishes to thank all members of the faculty and Faculty Senate who offered to serve on committees, as well as the Clerk of the Faculty Senate, Meg Caniano, for her able assistance and advice and members of the administration, mainly in the Provost's office, who responded promptly to our requests to nominate staff to committees.
